

Carpenter Memorial Library Request to Reconsider Material

Requests must be submitted in writing by active Carpenter Memorial Library cardholders residing within our primary service population, Kittitas County. Answers must demonstrate that the entire work was consumed in order to understand the full context of the work. Requests will be reviewed by the Library Board within 30 days of submitting the request. The individual will be contacted through email or physical mail, depending on the contact information provided. The decision from the Library Board serves as the final decision for matters of reconsideration.
